**Registration is required for the special pre-conference sessions on Wednesday, October 20**

- Session A: Survey Design and Development by Dr. Katherine McCormick (10:00-12:45)**

The purpose of this training session is to provide attendees with an overview of survey design.

- Session B: NVivo 8 Fundamental by Dr. Kelly Godfrey (ALL DAY – 10:00-5:30)**

Attendance at this session is limited to 15-20 participants

This training session is for QSR International's NVivo software, a powerful qualitative data analysis tool that allows users to simultaneously code audio, video, picture, and text within one interface. Participants will receive hands-on training in data preparation, importing, coding, conducting queries, and demonstrating and sharing findings using NVivo. A laptop and pre-installed version of NVivo 8 (free trial or full version) is required.
